

## **Harvest Retirement Community Inc. - Multi-Year Accessibility Plan – 2019 Update**

“Required Completion Dates” indicated are as per the AODA. This organization began operations effective December 1, 2015.

### **Introduction and Statement of Commitment**

The Ontario government passed the *Accessibility for Ontarians with Disabilities Act* (AODA) in 2005. It is the goal of the government of Ontario to make Ontario accessible by 2025. Harvest Retirement Community Inc. is committed to complying with the *Accessibility for Ontarians with Disabilities Act, 2005* and all of the standards under it in order to meet the accessibility needs of persons with disabilities in a timely manner.

The regulations associated with the Integrated Accessibility Standards (hereafter referred to as the “IASR”) under the AODA require that effective January 1, 2014, Harvest Retirement Community Inc. establish, implement, maintain and document a multi-year accessibility plan which outlines the organization’s strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under the Act.

Under the AODA, in addition to certain general standards, the following accessibility standards set certain requirements that are or may be applicable to Harvest Retirement Community Inc.:

- Information and Communications;
- Employment;
- Design of Public Spaces; and
- Customer Service

This multi-year plan outlines Harvest Retirement Community Inc.’s strategy to prevent and remove barriers to address the current and future requirements of the AODA, and in order to fulfill our

commitment as outlined in Harvest Retirement Community Inc.'s Accessibility Policies.

In accordance with the requirements set out in the IASR, Harvest Retirement Community Inc. will:

- Post this plan on its website ([INSERT WEBSITE NAME]);
- Provide this plan in an accessible format, upon request; and
- Review and update this plan at least once every five years

This Plan has been updated to include Harvest Retirement Community Inc.'s planned Accessibility strategies for the review period beginning January 1, 2019.

- Where an employee with a disability requests it, consults with the employee to provide or arrange for the provision of accessible formats and communication supports for:
  - Information that is needed in order to perform the employee's job; and
  - Information that is generally available to employees in the workplace.

- Harvest Retirement Community Inc. consults with the employee making the request in determining the suitability of an accessible format or communication support.

**Required compliance date: January 1, 2016**

**Status: Completed.**

### **c. Documented Individual Accommodation Plans/Return to Work Process**

#### **Commitment:**

Harvest Retirement Community Inc. is committed to complying with the provisions of the AODA in respect of this requirement, with the objective of improving accommodation and return to work processes in the workplace.

#### **Actions Taken:**

Harvest Retirement Community Inc.'s existing policies were reviewed to include processes that Harvest Retirement Community Inc. follows to accommodate an employee with a disability and to facilitate an employee's return to work after absenteeism due to disability.

Harvest Retirement Community Inc. reviewed and assessed the existing policies to ensure that they include a process for the development of documented individual accommodation plans for employees with a disability, if such plans are required.

Harvest Retirement Community Inc. also ensures that the process for the development of documented individual accommodation plans includes the following elements:

- The manner in which an employee requesting accommodation can participate in the development of the individual accommodation plan.

- The means by which the employee is assessed on an individual basis.
- The manner in which Harvest Retirement Community Inc. can request an evaluation by an outside medical or other expert, at Harvest Retirement Community Inc.'s expense, to assist Harvest Retirement Community Inc. in determining if accommodation can be achieved and, if so, how accommodation can be achieved.
- The manner in which the employee can request the participation of a representative from their bargaining agent, where the employee is represented by a bargaining agent, or other representative from the workplace, where the employee is not represented by a bargaining agent, in the development of the accommodation plan.
- The steps taken to protect the privacy of the employee's personal information.
- The frequency with which the individual accommodation plan will be reviewed and updated and the manner in which it will be done.
- If an individual accommodation plan is denied, the manner in which the reasons for the denial will be provided to the employee.
- The means of providing the individual accommodation plan in a format that takes into account the employee's accessibility needs due to disability.

#### Individual accommodation plans:

- If requested, include any information regarding accessible formats and communications supports provided, as required in the Standard;
- If required, include individualized workplace emergency response information, as required in the Standard; and
- Identify any other accommodation that is to be provided.

Harvest Retirement Community Inc. ensures that the return to work process as set out in its existing policies outlines the steps Harvest Retirement Community Inc. will take to facilitate the employee's return to work after a disability-related absence, outlines the development of a written individualized return to work plan for such employees, and requires the use of individual accommodation plans, as discussed above, in the return to work process.

**Required compliance date: January 1, 2016**

**Status: Completed.**

#### **d. Performance Management, Career Development and Redeployment**

##### **Commitment:**

Harvest Retirement Community Inc. takes into account the accessibility needs of employees with disabilities, as well as individual accommodation plans:

- When using its performance management process in respect of employees with disabilities;
- When providing career development and advancement to its employees with disabilities;
- When redeploying employees with disabilities.

##### **Actions Taken:**

In accordance with the IASR, Harvest Retirement Community Inc. will:

- Reviews, assesses and, as necessary, modifies existing policies, procedures, practices and templates to ensure compliance with the IASR;
- Takes the accessibility needs of employees with disabilities and, as applicable, their individualized accommodation plans, into account when:
  - Assessing performance
  - Managing career development and advancement

- Redeployment is required

**Required compliance date: January 1, 2016**

**Status: Completed.**

## **8. Design of Public Spaces Standard (Accessibility Standards for the Built Environment)**

Harvest Retirement Community Inc. follows the standards set out in the Design of Public Spaces Standard in circumstances where it qualifies as an obligated organization under the Act and constructs or redevelops any public space to which the Act applies.

Harvest Retirement Community Inc.'s company policies for preventive and emergency maintenance apply equally to the accessible elements of any public spaces within our built environment to which the Act applies.

Where accessible elements attached to any public spaces to which the Act applies are not in working order due to temporary disruptions, the organization will issue a public notice in a timely manner in the event of a planned or unexpected disruption of service or inaccessibility of facilities used by persons with disabilities. The notice will include the reason of the disruption, the anticipated duration, and a description of alternative facilities or service, if any, that may be available.

**Required compliance date: January 1, 2017**

**Status: Completed.**

## **9. Customer Service Standard**

**Commitment:**

The Customer Service Standard was created to establish accessibility standards for customer service in Ontario. In keeping with this regulation, the organization is committed to providing respectful services that focus on the unique needs of the individual.

To achieve this, the organization makes reasonable efforts to ensure that its policies, procedures and practices pertaining to the provision of goods and services to the public and other third parties adhere to the following guiding principles as set out in the IASR.

- Our goods and services must be provided in a manner that respects the dignity and independence of persons with disabilities.
- The provision of our goods or services to persons with disabilities and others must be integrated unless an alternate measure is necessary, whether temporarily or on a permanent basis, to enable a person with a disability to obtain, use or benefit from the goods or services.
- Persons with disabilities must be given an opportunity equal to that given to others to obtain, use and benefit from the goods or services.

### **Actions Taken:**

The following measures have been implemented by Harvest Retirement Community Inc.:

- Ensuring that the updated requirement (see reference to July 1, 2016 update below) that every person who is an employee of, or a volunteer with, Harvest Retirement Community Inc., every person who participates in developing Harvest Retirement Community Inc.'s policies and every other person who provides goods, services or facilities on behalf of Harvest Retirement Community Inc., receive training about the provision of the provider's goods, services or facilities, as the case may be, to persons with disabilities.

- Ensuring completion of accessibility training is tracked and recorded;
- Ensuring staff are trained and familiar with various assistive devices that may be used by customers with disabilities who are accessing the Harvest Retirement Community Inc.'s goods or services;
- Ensuring customers accompanied by a guide dog or other service animal in areas of Harvest Retirement Community Inc. open to the public and other third parties, are accommodated. In regards this requirement, the organization also implemented the updated requirement (see reference to July 1, 2016 update below) expanding the list of regulated health professionals able to authorize a service animal;
- Ensuring that if a person with a disability is accompanied by a support person, the support person is accommodated. In regards this requirement, the organization also implemented the updated requirement (see reference to July 1, 2016 update below) with respect to consulting with the person with the disability about the need for a support person and that such support person may only required by the organization under the circumstances described in the Act.
- Issuing a public notice in a timely manner in the event of a planned or unexpected disruption of service or inaccessibility of facilities used by persons with disabilities. The notice must include the reason of the disruption, the anticipated duration, and a description of alternative facilities or service, if any, that may be available.
- Continuing to welcome and appreciate feedback from persons with disabilities through multiple communication methods.
- In regards to accessible formats and communications supports, the organization implemented the updated requirement (see reference to July 1, 2016 update below) that the organization shall, on request, and in consultation with the person making the request, provide or arrange for the provision of the document, or the information contained in the document (a) in a timely manner that takes into account the

person's accessibility needs due to disability; and (b) at a cost that is no more than the regular cost charged to other persons.

**Required compliance date: January 1, 2012; Updates July 1, 2016 to noted sections.**

**Status: Completed.**

## **10. Compliance**

### **Actions Taken/Planned Action:**

Harvest Retirement Community Inc. will file accessibility reports required under the Act in accordance with the provisions contained in the Act using the Accessibility Compliance Reporting Tool.

**Previous compliance dates: December 31, 2014 and December 31, 2017**

**Next required compliance date: December 31, 2020**

**Final required compliance date December 31, 2023**

**Status: Compliant and on schedule.**
